

Körber Business Area Tissue

Company Profile

Confidential

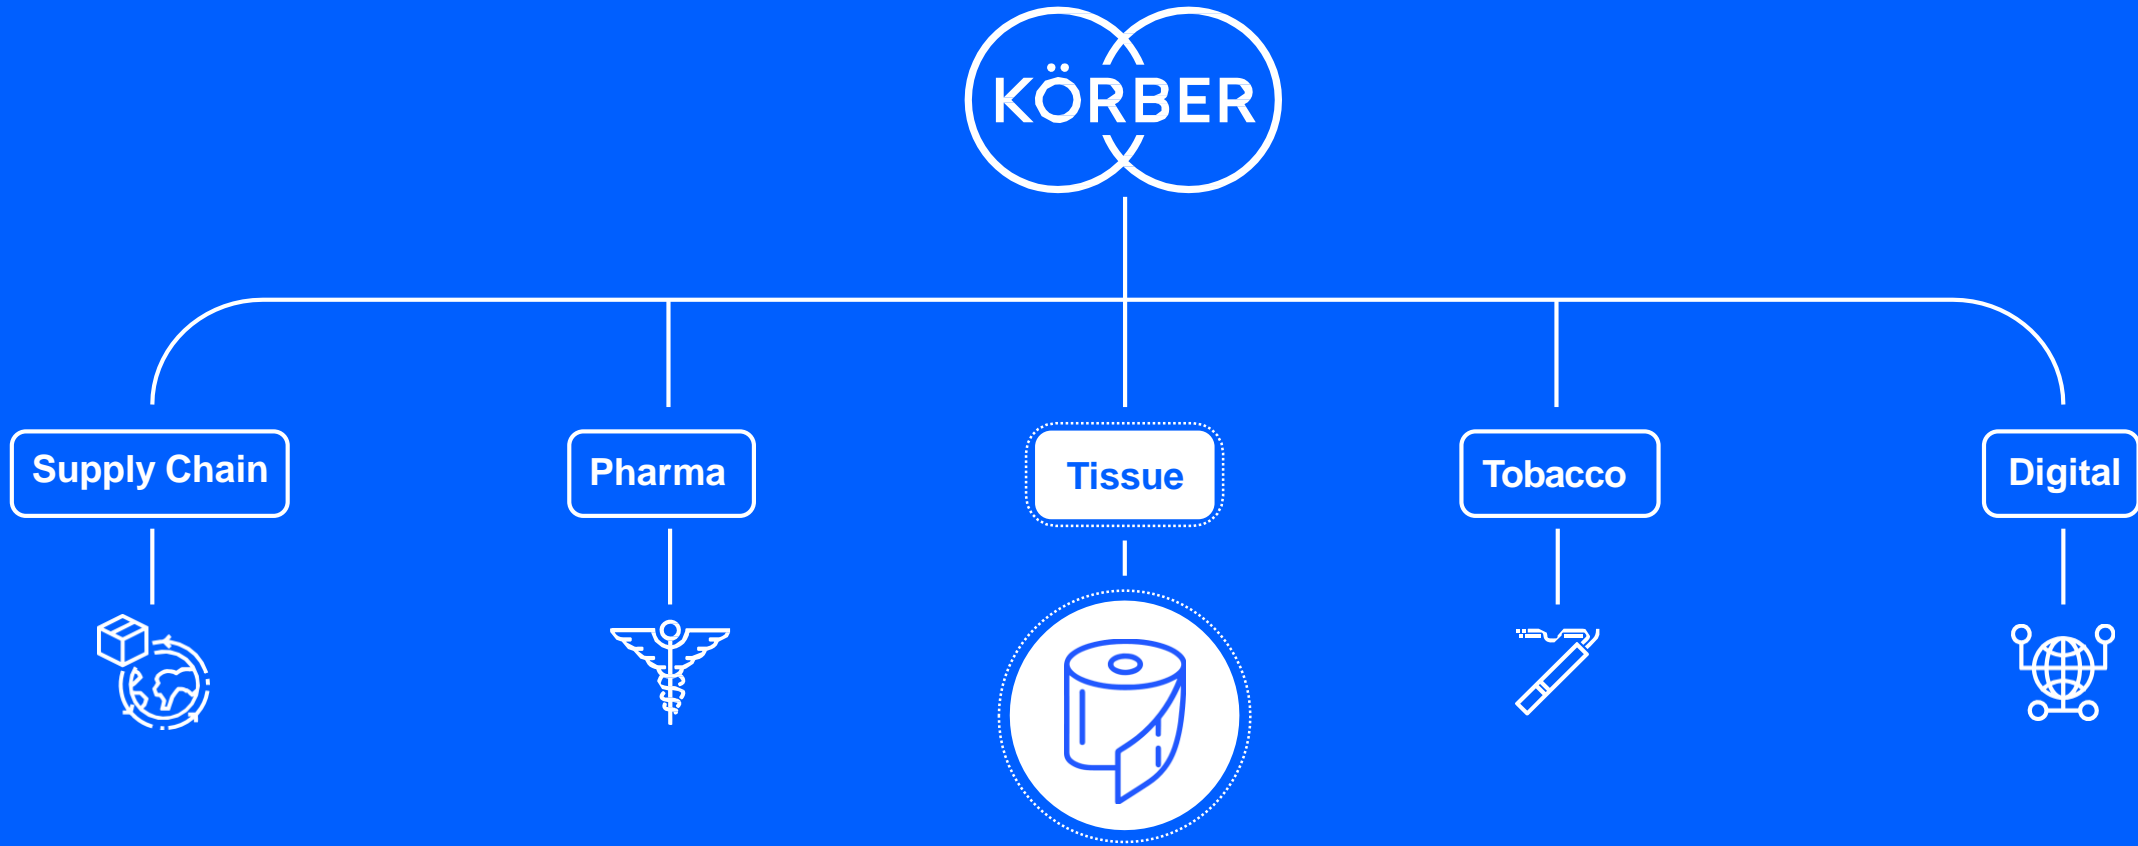

We are proudly part of Körber

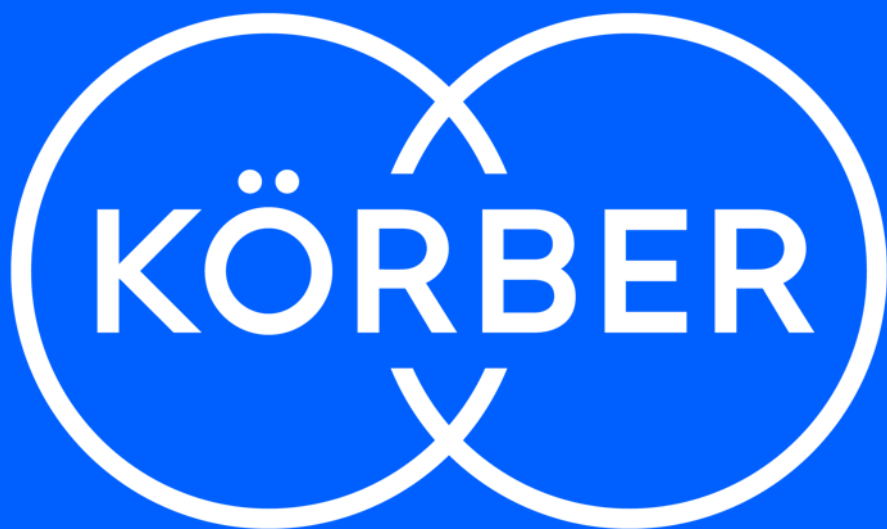

Customers always come first

Körber is a leading international technology group with **around 10,000 dedicated and creative experts** at more than **100 locations worldwide**, who work every day to make our **customers successful**.

Körber corporate centers

Be the first to do the right thing at the right time

Körber's vision is: **market leadership through technology leadership** – in all its five Business Areas: **Digital, Pharma, Supply Chain, Tissue and Tobacco.**

We build ecosystems to solve customer problems

At Körber we turn entrepreneurial thinking into **customer success** while creating value through **ideation, innovation** and **seamless execution** by **activating synergies** across the various Business Areas in a **Körber ecosystem driven approach.**

Financially independent

Körber's sole shareholder is the Körber Foundation. This **financial independence** gives us the **freedom to act entrepreneurially** and is the basis for our **long-term success.**

The home for entrepreneurs

We combine our **strong heritage** with our **understanding for local specifics** and a **global mindset** to **support talents** to deploy their skills and reach their **full potential**.

We **empower our people** through a wide array of **leadership programs** and **functional trainings** for all management levels, including young trainees.

A group of business professionals in a meeting. A woman in a dark blazer and large earrings stands in the background, looking towards the right. In the foreground, a woman with long dark hair, wearing a colorful geometric patterned top under a dark blazer, looks up and to the right. To her right, a man in a dark suit and blue tie is seated, looking towards the right. A laptop is visible in front of him. The background is a plain, light-colored wall.

Körber Business Area Tissue in the world

Across the entire value chain of Tissue

Körber Business Area Tissue consists of a wide set of solid competences with strong legacy in the Tissue sector. **Fabio Perini** for roll converting, **Casmatic** for packaging solutions, **MTC** for fold applications, **Engraving Solutions** and **Roll-Tec** for embossing technologies.

We also leverage the expertise of other Körber Business Areas like **Digital** and **Supply Chain** to **build Körber ecosystems** that can best serve customer needs.

We care for customers' success

Much more than a partner

At Körber Business Area Tissue we are fully aware of the **challenges our customers face** and we are determined to **embrace them** as if they were our own. Our ultimate goal is to **shape our customers' ongoing success** and help them keep their business thriving in **today's complex environment**.

A group of experienced and passionate people

Our resolve for finding **remarkable solutions** to our customers' mission-critical problems is what motivates us in everything we do. Our experts are quick in **understanding our customers' needs** and capable of **solving their problems** anywhere at anytime.

Something unmatched in the tissue industry

Our **qualified teams** are available at customers' sites to support their teams locally, delivering **best-in-class customer experience** and easy-to-use solutions in a fast and agile way, which will ultimately make our customers' people the main driver of their success.

Shaping your success in tissue
